Dear Officer Jeska,

Thank you for updating me on my re-designation status yesterday. I have had a habeas corpus petition pending in the Western District of Washington since 09/08/2023 and I need to notify the Court about any impending movement, such as the custodial transfer to another jurisdiction which was requested approximately 2 weeks ago. Would you please provide a general time-frame of when I can expect to be redesignated to a new facility and physically transferred there. It could also impact my ability to undergo surgery and I need to inform the Court in Cause No. 2:23-cv-01407-jhc-dwc.

Thank you,  
/s/ Mahsa Parviz

Dear Mr. Caughill, thank you for speaking with me yesterday about my habeas action in Western Washington, Cause No. 2:23-cv-01407-jhc-dwc. The habeas AUSA's email is Lyndsie.R.Schmalz@usdoj.gov. If you could suggest a joint proposed order to her or just let her know that SeaTac is waiting on a court order to have Grand Prairie perform my sentence computation, that would be great.

Lastly, since I'm still here, I'd like to know if I can get visits with my daughter. Earlier this week, I received a copy of a fraudulent affidavit wherein my child's father attempted to put my daughter in foster care. This affidavit formed the basis of my charges and has kept me away from my child for several years. I am able to provide you a copy. I believe she's in CPS custody in the State of Texas and would appreciate any help with facilitating visits.

Thank you,  
Mahsa
